RE: H1N1 Vaccine

The Scott County Health Department received the first shipment of H1N1 vaccine today. The vaccine came in the form of FluMist® intranasal H1N1 vaccine. Scott County Health Department public health nurses will be administering the FluMist® vaccine tomorrow, October 9, 2009, to school nurses and health aides.

Media representatives, who would like to have a photo opportunity of the first H1N1 vaccinations in our county, can report to the locations listed below. A Scott County Health Department public information officer will be on hand to assist you.
