Contact: Public Information Officer at 563-326-8618

Appointment slots have been filled for the Friday H1N1 flu clinic for pregnant women. The Scott County Health Department received a limited supply of the injectable H1N1 vaccine and anticipates more vaccine to arrive in the near future. Vaccine will be made available to priority groups as supplies allow. Watch the media and check the Scott County Health Department website, [www.scottcountyiowa.com/health/flu\\_h1n1.php](http://www.scottcountyiowa.com/health/flu_h1n1.php), for updates on vaccine availability and information.
