APPLICATION FOR VENDING MACHINE OPERATOR'S LICENSE

A **vending machine** is a food establishment which is a self-service device that, upon insertion of a coin, paper currency, token, card or key, dispenses unit servings of food in bulk or in packages without the necessity of replenishing the device between each vending operation. 2. "Potentially hazardous food" which are food products that must be stored at or under 41°F, or 135°F or above.
